## *Dedication*

It seems as though it were only a few short years ago when we used to look forward to a bedtime story and a chance to lick the cake bowl. But the years flew by and new things filled our desires--clothes, the use of the family car, dates, and MONEY. Yes, and you, Mom and Dad, were the ones who always shared these little things with us. You laughed when we laughed; cried when we cried. You knew and understood that all these things were just a part of our growing stage.

And so, Mom and Dad, we offer this dedication to you to express our appreciation for all the loving memories of your trust, confidence, wisdom, understanding, friendship, and love you have given us through these years.

The greatest pleasure that anyone could ask for in life is the association and confidence of a group of students.

You are in the process of formulating and moulding your lives and the pattern will be the very life you will live and present to your fellowman.

We desire to give you every opportunity to grow and improve yourself to meet the ever expanding and complicated problems of being a good citizen. Set your goals high for a good education, then strive to improve your three best friends: your home, your school, and your church. The reward is great.

On behalf of the PIRATE Annual Staff, I am taking this opportunity to extend our thanks and appreciation to the following:

The business firms and individuals who bought ads.  
Our sponsor, Mrs. J. M. Lasater, who directed our work.  
Members of the Administrative Staff who made helpful suggestions.  
The many students who let the staff borrow their snapshots.  
The students who purchased this PIRATE.  
And to all others who helped the Staff in any way.

My personal thanks go to each and every member of the Annual Staff for their confidence in selecting me as Editor-in-Chief of the James Bowie PIRATE. It has been a privilege and honor to serve my class and my school in that capacity.

Your Editor-in-Chief,

A handwritten signature in cursive script that reads "Susan".

THE LADY BLOWS A WHISTLE  
(Story and Photo by Joe Mosby, DALLAS TIMES HERALD)

The referee wears the familiar striped shirt, dark slacks and a whistle around the neck--but the referee is a lady. Shirley Tenbrook of Naples, Texas, who wrote records by the bushel as a girl basketball star a few years ago at James Bowie High in Simms, Texas, is now working as a fully certified referee--the only woman referee in Texas.

As Shirley Granberry, she was the Northeast Texas area's top girls basketball player from 1954 to 1958, scoring around 2,500 points in her career and averaging 36 points a game as a senior.

Shirley's high school coach, Mrs. Lavada Grigg of James Bowie, Simms, Texas, got Shirley interested in becoming an official. Shirley took her state official's test last October after encouragement from other coaches and referees who knew her. Now, she's busy in the current basketball season, refereeing several games a week.

Her work has drawn praise from coaches, players, fellow referees and from the state athletic officials in Austin. Dr. Rhea H. Williams, head of University Interscholastic League sports, reported, "To my knowledge, there have been only two other women who have worked basketball games in Texas, and they did so in a limited way."

She started basketball in the sixth grade at James Bowie, Simms, Texas, and won a spot on the eighth grade girls team against players two years older. Shirley quickly showed her talent for the sport. In her first game she poured in 32 points.

When she reached the eighth grade, she was advanced to the high school's second team. As a freshman she won a starting berth and scored 520 points for the James Bowie varsity. Shirley's sophomore year produced 540 more points for her; as a junior it was 648 points, and as a senior she collected nearly 800 points.

Shirley's scoring in her final year averaged 36 points a game, still a record in District 15-A, and her best game was 52 points against Annona High.

All four years she was in high school, the James Bowie girls soared to district championships, and twice they went on to the regional tournaments.

Shirley was named on the girls all-state team her senior year and played in the summer North-South games, where she scored six points in six minutes of action.

Shirley was also on her school's volleyball team that won a state title in 1957, and she was also named all-state in this sport.

(That's our SHIRLEY! Congratulations to you, Shirley, from all of us at James Bowie, Simms, Texas.)
